

~~SECRET~~

Journal

Office of Legislative Counsel

Tuesday - 19 June 1956

-----

Met with Mr. Naughton, of the staff of the Fountain Subcommittee, and informed him that this Agency could not release or show to the Committee the text [redacted] which they had requested in connection with their inquiry into transshipments of fats and oils. I informed Mr. Naughton that this report was

25X1

[redacted] I informed him that the only statement in the report that had any bearing on a statement in a Commerce Department file in which the Committee was interested was that there had been rumors, and only rumors, that much of the fats and oils [redacted]

25X1

[redacted] is going to countries behind the Iron Curtain. I did not speculate on just how this statement had evidently been translated by the Commerce Department inspector into an alternative report that such shipments were in fact taking place. Mr. Naughton did not press for a copy [redacted]

25X1

I also showed Mr. Naughton a classified memorandum prepared by ORR containing a report of cargoes and movements of [redacted]

25X1

He agreed to this.
